Education

Rajagiri School of Engineering and Technology
BTech in Computer Science

Nov 2022 – May 2026

- Honors Degree in Cybersecurity
- CGPA: 8.66

Experience

Mobile App Intern

ProcessSmaart Private Limited

Kochi, Kerala

May 2025 – June 2025

- Built a real-time location tracking app using Flutter and Firebase Realtime Database.
- Integrated Google Maps for location display and ORS for dynamic routing.
- Developed destination search and live GPS updates using Geolocator and Nominatim (OpenStreetMap).

Volunteer Educator

Insight For Innovation & NSS State Cell

Kochi, Kerala

Dec 2023 – Jan 2024

- Taught English language and literature to 6th-grade students.
- Developed and implemented interactive teaching methods, including games and activities, to improve grammar and vocabulary comprehension.
- Contributed to the Integrated Educational Support Programme (IESP) initiative.

Certifications

- Cryptography and Network Security (NPTEL, IIT Kharagpur)
- Cybersecurity Analyst Job Simulation (Tata)
- Career Essentials in Generative AI (Microsoft, LinkedIn)
- Python Basics (HackerRank)
- Google Cybersecurity Professional Certificate (Currently enrolled)

Projects

AI-Powered Resume Screening and Matching System

- Currently developing an AI-based recruitment tool that uses NLP techniques to match resumes with job descriptions based on semantic similarity. The system includes bias mitigation to ensure fair candidate evaluation, an explainable ranking interface for recruiter transparency, and a feedback loop for adaptive learning.
- Tools Used: Python, Flask, scikit-learn, Sentence-BERT, SQLite, HTML/CSS.

NavEye-Navigation Aid for the Blind

- Designed an assistive navigation app to help visually impaired individuals navigate their surroundings safely using real-time object detection, voice interaction, OCR, and GPS-based guidance.
- Tools Used: Android Studio, ML Kit, Kotlin, OpenRouteService, Gemini Vision, TTS

Skills

Technical skills: C, C++, HTML, CSS, Python, SQL, Java, Linux, Git, Github, VS Code

Soft skills: Effective Communication , Analytical and problem-solving skills, Efficient team working ability
